

These drawings and the copyright thereof are the sole property of the consultants and must not be reproduced without their written consent.

The contractor is to check all levels and dimensions before work commences, and any discrepancies to be reported immediately to the consultants.

Work to figured dimensions. Do not scale.

The contractor is expected to supply and do everything necessary for the proper execution of his works that may be reasonably inferred from the drawings and specification, whether referred to in detail or not, without extra payment in respect thereof.

The finished building will require service maintenance in accordance with custom and practice and the manufacturers recommendations.

The architects drawings are to be read in conjunction with the engineers and all specialist manufacturers / suppliers drawings.
