

This drawing is to demonstrate an initial engineering concept, highlight risks and provide guidance for early cost planning. The design of the levels and drainage is subject to change at the detailed design stage and following consultations with key stakeholders including NRW, DCWW and Carmarthenshire County Council.

This drawing is copyright and its use or reproduction without the permission of Spring Design Consultancy Limited. All rights are reserved until invoices are paid in full. No responsibility will be taken for any design used for construction prior to receipt of relevant approvals.
